# Celebrating excellence in the digital print value chain

The Digital Labels & Packaging Awards is the only awards programme dedicated to the digital print for labels and packaging sector. This vibrant and exciting industry is reflected in an award programme which celebrates the best work in digital print across many various categories, from labels, to folding carton to stand up pouches.

Digital print has a unique ability to create work which other processes just cannot match. That's why in this awards programme we recognise exceptional use of personalisation and variable data as well as the quality of the application being produced.

Seize your moment today to win one of the most coveted awards in the print industry.

## WHY ENTER?

The 16 categories of the Digital Labels & Packaging Awards cover the gamut of digital print production, whether you're: designing cutting-edge labels and packaging with a digital-first mindset; printing primary or secondary labels and packaging using inkjet, toner or hybrid technology; converting

and finishing reels and sheets into high-value saleable products; and/or striving to deliver the highest levels of environmental performance. A Supreme Award will be bestowed upon the entry that has ranked highest with the judges from all the winning entries.

**CLOSING  
DATE:**  
9 April 2026

**Please send your entries to:**  
30 London Road, Southborough, Tunbridge Wells, Kent, TN4 0RE

## RULES

1. Entries must have been produced by the printing company entering the awards.
2. Entries are for commercial work undertaken by the printing company entering the awards, with the exception of 'Self-promotional print'.
3. All entries must directly relate to the period since the start of the preceding calendar year, 1 January 2025.
4. The printing company's contact details should be submitted with the entry if it is being entered on their behalf.
5. Whitmar Publications reserves the right to use any entries received for marketing and promotional purposes in its magazines and on its websites.
6. Entrants must have obtained the permission of their customer before entering the competition.
7. Whitmar Publications cannot accept responsibility for entries submitted.
8. The decision of the judges is final and no correspondence will be entered into.
9. Entries may be moved to a different category at the discretion of the judges.
10. Entries received after the deadline will be subject to a flat £100 late fee.
11. By entering you agree to all technical information supplied being published online and in print.

12. All printing companies entered agree that, if nominated, they will be directly represented at the awards ceremony in London on 24 June 2026.
13. No previous winning job may be re-entered from the same or different company.
14. Whitmar Publications reserves the right to withdraw a category at any time.

### Additional rules

Each and any job/project can only be entered into one category.

## AWARDS CEREMONY

The awards ceremony is a lunchtime event and will be held on 24 June 2026 at The Kia Oval, London.

A limited number of tables are available, each for 10 guests at £2950+VAT per table and individual places are £295+VAT.

Email: [donatella.m@whitmar.co.uk](mailto:donatella.m@whitmar.co.uk)

# HERE'S WHY YOU SHOULD ENTER

## ATTRACT NEW BUSINESS

Just being nominated improves brand awareness and promotes your business to new customers.

## RAISE YOUR PROFILE

Winning at the Digital Labels & Packaging Awards significantly raises your company profile and earns respect from your customers and peers.

## FREE MARKETING AND EXPOSURE

Gain extensive media attention through coverage in the nominees and winners issues, the awards website, and pre- and post-awards promotional emails.

Nominees and winners can also use this acknowledgement in their own PR and marketing activities. Such exposure will be sure to help attract new customers and increase respect from existing clients.

## EMPLOYEE MOTIVATION

Everyone likes being part of a winning team. Achieving recognition in the awards will have a positive effect on staff morale, motivation and retention.

## ACKNOWLEDGE STAFF AND CUSTOMER LOYALTY

Attending the awards is an opportunity to thank and reward staff for their contribution to the business, thank customers for their loyalty, and impress prospects with your hospitality.

## NETWORKING OPPORTUNITIES

Attending the awards gives you the opportunity to build contacts, meet and network with other award participants, businesses and potential customers and partners.

# CATEGORIES

## Additional rules

Each and any job/project can only be entered into one category.

### **Analogue-to-digital**

For work previously printed using another process but now produced using digital

*Each entrant to this category must highlight specific elements\*\* of the printed product that showcase how the entry has benefitted from the move to digital and what the customer/end user has gained from the move and so should be considered the winner*

### **Application excellence – primary packaging**

For entries showcasing the best primary packaging decorated digitally

*Each entrant to this category must highlight specific elements\*\* of the printed product that are relevant to the application that showcase why their entry should be considered the winner*

### **Best company to work for** New for 2026

This award is for the company which can demonstrate that they offer their employees the best working experience, through a mixture of culture, environment, rewards, and benefits offered.

*Each entry must be supported by a 500 word statement detailing the company's achievements in this area. Staff surveys and testimonials can also be supplied as a separate to the statement.*

### **Best use of personalisation** New for 2026

For entries featuring an element of personalisation within its design.

*Each entry should detail how the personalised print was used within a wider marketing campaign and include any metrics that show that campaign as being successful.*

### **Best use of water-based inks** New for 2026

For any label or packaging entry printed using water-based ink in a digital process.

*Each entrant to this category must highlight specific elements of the printed product that showcase the technology and why their entry should be considered the winner.*

### **Environmental company of the year**

For printers and converters who are able to demonstrate the greatest advances in environmental performance and responsible behaviour towards both the natural environment and people

*Entrants to this category must supply a supporting statement outlining the advances that have been made and their impact on the business and/or the wider industry*

### **Excellence in design**

For entries showcasing work that has been designed specifically with digital printing in mind

*Each entrant to this category must highlight\*\* how the design is specifically suited to digital production and the benefits this has brought to the submitted entry and customer*

### **Excellence in finishing and embellishment**

For entries that showcase the best use of digital finishing and embellishment processes to elevate the look and feel of labels and packaging

*Each entrant to this category must highlight specific elements\*\* that showcase what finishing and embellishment has added to the printed product to make the entry a winner*

### **Excellence with hybrid printing**

For entries printed using a combination of two or more complementary processes (digital+flexo, digital+offset, digital+digital, etc)

*Each entrant to this category must highlight specific elements\*\* of the printed product that showcase how processes have been combined to make their entry the winner*

### **Excellence with inkjet – labels**

For labels printed using inkjet-based digital processes

*Each entrant to this category must highlight specific elements\*\* of the printed product that showcase the technology and why their entry should be considered the winner*

### **Excellence with toner – labels**

For labels printed using toner-based digital processes

*Each entrant to this category must highlight specific elements\*\* of the printed product that showcase the technology and so why their entry should be considered the winner*

### **Future star**

This award is for any employee under the age of 30 within the supply chain, who is set to play a key role in the future of the digital packaging value chain; nominees are welcomed from all areas of the supply chain

*Entries for this category must include a supporting statement outlining why this individual should be considered for the award, their progress and their achievements to date*

### **Innovation**

Entries could example new manufacturing techniques, a previously unrealised application of digital print, and/or a new end-use for digitally manufactured packaging; be innovative with your submissions!

*Entries to this category must highlight exactly where innovation(s) have been made and how they have benefitted the application and/or customer.*

### **Packaging** New for 2026

For flexible packaging, folding cartons, corrugated boxes and any other packaging formats decorated using any digital print process.

*Each entrant to this category must highlight specific elements of the printed product that are relevant to the application that showcase why their entry should be considered the winner*

### **Self-promotional print**

For **non-commercial** labels and packaging samples, produced digitally by printers and converters to showcase the breadth and depth of their capabilities

*Entries for this category must not have been produced for sale directly to customers and consumers, rather showcase the work\*\* of a printer for its own branding and marketing initiatives*

### **Stand up pouches** New for 2026

For fully formed stand-up pouches which have been printed using a digital process.

*Each entrant to this category must highlight specific elements of the printed product that are relevant to the application that showcase why their entry should be considered the winner*

**\*\* Please see the following page**

## HOW TO ENTER

There are 16 categories to enter, please complete one entry form (photocopies are acceptable) and provide three samples of the campaign you are entering **PER CATEGORY** entered. (print categories only).
